

## Factsheet — Canadian Mortgage Technology

# Filogix Expert Pro – an all-in-one online solution that lets you run your business, your way...from anywhere

The most powerful and comprehensive tool available in the market today enabling all players of the mortgage industry to access a fully integrated digital experience.

//

*Filogix Expert Pro improves visibility over teams' operations within a single platform."*

Filogix Expert Pro allows **mortgage professionals** to centralize their business through workflow optimization resulting in improved consumer experience, more time to manage new opportunities and funding deals faster.

For **broker-owners**, Filogix Expert Pro improves visibility over brokerage operations within a single platform. Managing workflows and providing insights into performance metrics and business analytics will allow you to make rapid and informed decisions to grow the business.

For **mortgage lenders**, Filogix Expert Pro unlocks the ability to receive enhanced, more complete deal submissions improving the efficiency of the mortgage process.
